hotel & restaurant am see

## IMPORTANT NOTE

Monday–Saturday from 2 p.m. to 5 p.m.

**Sundays: coffee & cake only in the bistro**

## Welcome!

Life is beautiful and worth living. This is why we decided on a concept that we can represent at all levels.

Not knowing what you eat, how the food is produced and where it comes from has always been unthinkable for us.

The reduction of CO<sub>2</sub> pollution, food from the region, variety, zest for life, pleasure and enjoyment, tradition and sustainability must be united in today's world. Modern gastronomy is much more than just eating and drinking.
